Our Mission

To open the door of opportunity effectively and competently to those individuals who would like to build a better life for themselves by opening up employment, career and business prospects across the world."

Our Vision

We aspire to become one of the global largest Visa Consultancy spanning from Nigeria to continents coming years in terms of Quality and Quantity. This can only be possible by generating satisfied clients. Sijam Consults Limited, we value our clients more than any other thing, hence we work on business model that is dependent on generating business through reference rather han marketing. This can only be achieved by following strict assessment criterion at the time of case assessment and providing honest opinion. We do not believe in making false commitments and misleading people, we work with a straight-forward and transparent approach. We believe that it is better to have one satisfied and happy client rather than creating 100 dissatisfied and unhappy clients.

About Us

Sijam Consults Limited, made its humble beginning in January, 2017. Started as a consultancy firm providing visa guidance for Nigerians/diaspora ranging from Work Visa, Students Visa. But over the time, with our hard work and our constant effort to strive for excellence and expansion, today we are company with expertise in handling Tourist Visa, Business Visa, Investment Visa, Company creation, Citizenship Assistance, Recruitment & Supply, Embassy application and lots more, for almost all the major countries like Canada, Australia, New Zealand, USA, UK, Europe, Singapore and etc. In this short span we have reached great heights and as a result we have a network of more than 100+ institutions/organizations worldwide to offer as a choice to the our aspiring clients. We are a young and dynamic company and are rapidly expanding our wings with our office network spanning Africa, Europe, Asia, South and North America. Our corporate office is located at The Lord's Doing Plaza: 2/4 Suit A10, Kachia Road Ungwan Boro, Opp. Our Lady of Fatima, P.O. Box 12962 Kaduna State - Nigeria. In such a small time we have been able to deliver great results, our visa success rate speaks for itself. Also we have been able to get some professional recognition, we feel proud to tell that our company is registered here in Nigeria and also processing international registration.

We Offer a Lot More.

Our portfolio doesn`t ends here, along with being an expert in various visas type, we feel really proud that, we have become capable enough to serve as a one stop solution to our wide range of clients by providing various services at all the major and minor countries ranging from New Zealand, Australia, Canada, USA, UK, Europe, Singapore, Dubai, Malaysia, China, Japan and many more, Assistance for Permanent Residency Visas, Travel Insurance, all under one roof. Thus, making us stand on our motto "We make dreams come true", and making our valuable client`s experience of flying abroad hassle free and enjoyable rather than being harassing and exploitable

Our Values

We know very well that the decision to immigrate is a life changing decision, either it can make one`s life or ruin it. We believe in clean and transparent business practices and harassing people for a little more money is not our ideology. We believe that it is a right of the client to be thoroughly informed before they decide to invest a large chunk of their savings and their precious time on someone`s advice. We make sure that "Someone" is not merely anyone but a seasoned professional. So, we provide free counseling and career guidance sessions to our clients. We motivate and guide them to choose the best suitable option for them, keeping in mind their interest, budget, job opportunities and future prospects. Also our team of experienced professionals makes sure that our clients given right information and is not being misguided in any of the means. "Honesty, Integrity, Transparency and Delivery" are the main pillars of our rapidly growing young company.

About the CEO

James Samson Ile is the CEO of Sijam Consults Ltd. A Human Resource Manager with over a decade (10years) of high-level expertise when it comes to consulting in Immigration services. His years of experience as a decision maker in visa processing has allowed him to accumulate a rare high-level expertise/acquitancy of Immigration process ranging from work permit visa, student visa, tourist visa, business/investment visa, company creation, etc.

What we do...

WORK PERMIT VISA

A work permit is a document that authorizes a foreigner to work legally abroad i.e Canada, USA, New Zealand, Australia, Europe, Gulf and etc. The permit indicates the company that entrusts the execution of work to a foreigner and the position or the type of work which the foreigner is to perform. The work is therefore regarded as legal only if the foreigner performs the work identified in the permit.

A work permit or a working visa is required to establish a career in another country. Only with a job waiting for you that your employer vouches for can you apply for a working visa in the said country. To work in a country, you can acquire either a non-immigrant visa that allows you temporary residence or a permanent immigrant visa depending on your requirement. To successfully go through the complicated process of filing said petitions and applications, one would be better with working visa services.

Countries wish to attract skilled professionals from across the world. However, the permit issued has specific rules that require strict adherence. The consultants appointed to you by Sijam Consults Limited offer you the best working visa consultancy in Nigeria and meticulously walk you through the regulations and the entire process.

What we do...

STUDY VISA

With increasing global exposure, more students are aspiring to study abroad to expand their career prospects. To study in the educational institute of your dreams, you need a student visa. A student visa is non-immigrant in nature and issued to foreign students enrolled in a qualified institute in the country valid through the duration of their course.

The documentation required to apply for the endorsement of a student visa is enormous. One needs to follow several procedures, and the entire process can be an added stress to the students under a lot of existing pressure. To go through this, one needs guidance from expert student visa consultants. At Sijam Consults Limited, an acclaimed student visa consultancy in Nigeria, we unburden our clients and take care of the hefty paperwork for them.

The student is required to go through numerous checks before the student visa is granted. Our team with expert student visa consultancy helps you get your affairs in order, so you go through the process without any inconvenience.

To study abroad, a student needs to go through two application processes as they apply once to the college and then for a visa after being accepted. For this, the student needs to present several documents, write a few applications and score well in standard international English tests as per requirement. To prepare well, you need student visa services assisting you throughout whether applying for any visa.

We offer study visas for almost all the major countries like Canada, Australia, New Zealand, USA, UK, Europe, Asia and etc. We are experts in this field and are always committed to customer service. We strictly keep in mind that the student is given the right guidance from the very first day he comes to us for a counseling session and he is kept informed throughout the process about his application procedure. We make the whole process of Study Visas, starting from the very basic step of course and country selection to arranging admissions for the student from various colleges and universities followed by the visa opening. We make sure that the student is well prepared for the interview, so that he does not faces any problem in getting a visa. Our motto is to make the whole process very streamlined and transparent. Owning to high service standards and professionalism, in a short span of time we have reached great heights and as a result we have a network of more than 100+ institutions worldwide to offer as a choice to the our aspiring clients. We are a young and dynamic company and are rapidly expanding our wings with our office network spanning from Nigeria. In such a small time we have been able to deliver great results, our visa success rate speaks for itself.

With the right business visa services for USA, UK, Canada, Europe, Asia you can be rest assured with Sijam Consults Limited.

Our experienced executives help you evaluate your options while applying for a visa and come up with the best opportunities that suit your business endeavors perfectly.

What we do...

INVESTMENT VISA

An EB-5 investment visa is a type of immigration visa available to foreign investors that wish to immigrate to the United States. Different countries have different types of immigrant investor programs that function to encourage foreign investment in exchange for conditional or permanent residency. Our partners have a proven history of handling investment visas for clients throughout the world. Our managing partner, has been helping investors procure EB-5 visas since the program was implemented in 1991. From the I-526

filing all the way through I-829 completion and the 10 year green card, hundreds of investors approved with virtually a 100% approval rate.

There are two main options for applying for an EB-5 visa: traditional Direct and Regional Center. The main difference is that, with a Regional Center program, you invest in a business through a government-approved organization while, with a Direct EB-5 program, you invest directly into the business. Both Direct and Regional Center EB-5 Investments have very different processes, but both result in obtaining permanent legal resident status abroad.

People have invested around 100's of Million US$ till date through our services to settle in various countries in the world and are fully satisfied with their professions. Information regarding incentives by the government to the foreigner investors on the preplanned projects, tax waiver systems/tax holidays, Free Trade Zone, bringing skilled/unskilled labors etc. Our experts will also organize meeting with the technical expertise in Countries running various projects, tourism, Agriculture, educational and Various Others Investment projects/ Business's.
